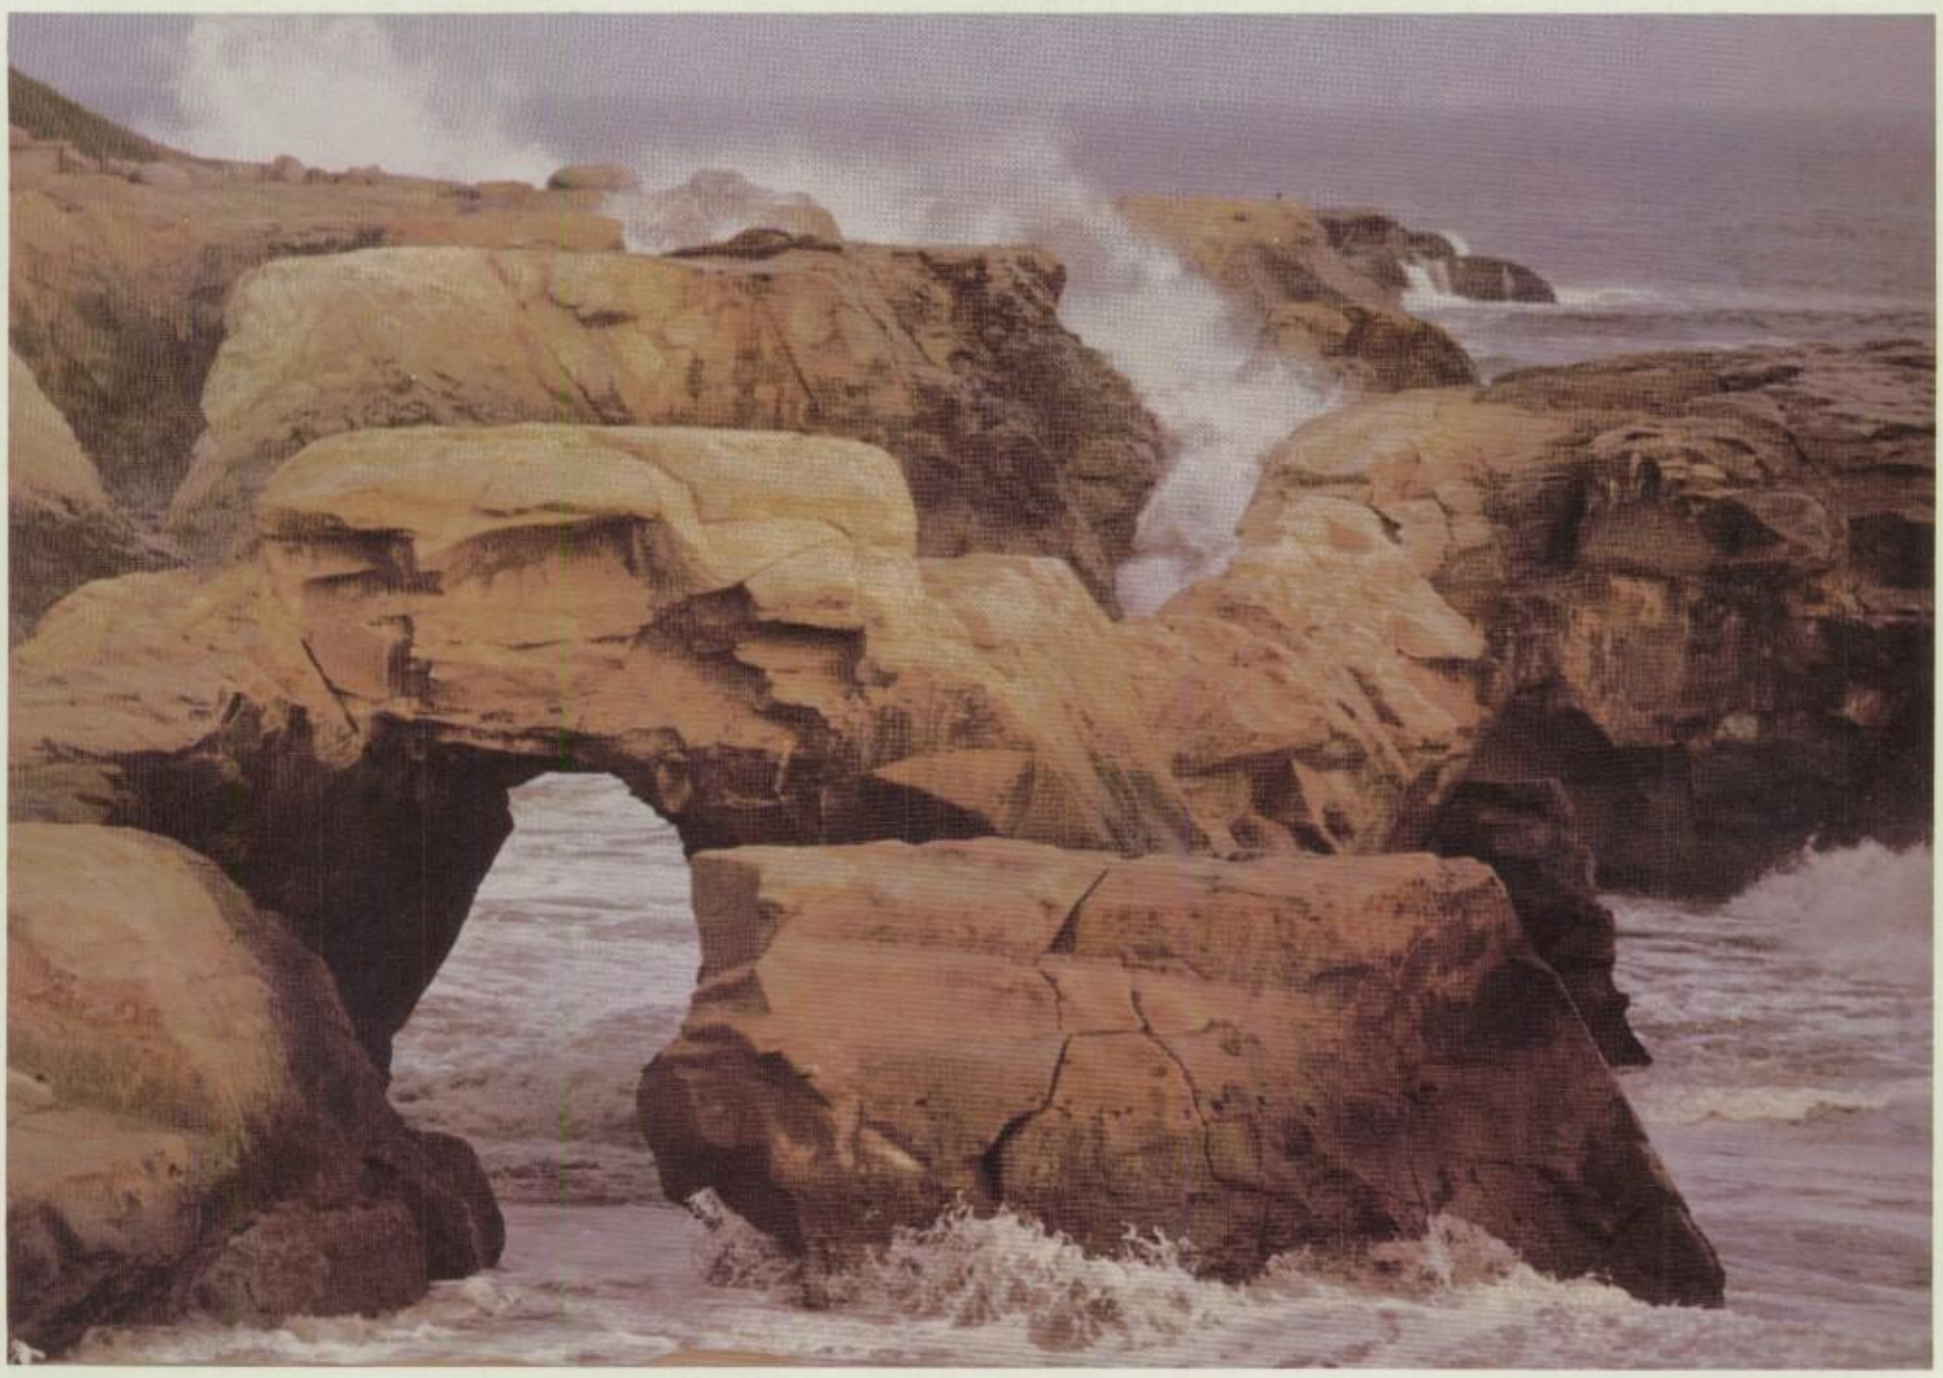
As dew to the
blossom, and bud
to the bee, as the
scent to the rose,
are those memories
to me.

- Amelia Welby



The 1975 Oriole is dedicated to Mr. Rod Mac Dermott. For the last 19 years he has taught in the math department at Campbell High.

Enthusiasm, dedication, and sincerity are qualities seldom found in one individual; we have found these characteristics in Mr. Mac Dermott. He displays these qualities throughout the school day with a smile on his face, school spirit, and a sincere concern for helping other individuals.

Thank you Mr. Mac Dermott for all the memories you have given us, and for the many dreams and hopes you have instilled in us.

. . . we rarely forget
that which has
made a deep
impression
on our minds.

Tryon Edwards

Hey you little freshmen—
just kidding! next year you'll be
a big sophomore, then you won't
have to worry about me bugging
you any more, well have a
great summer, and I'll see
you soon!

luv ya,

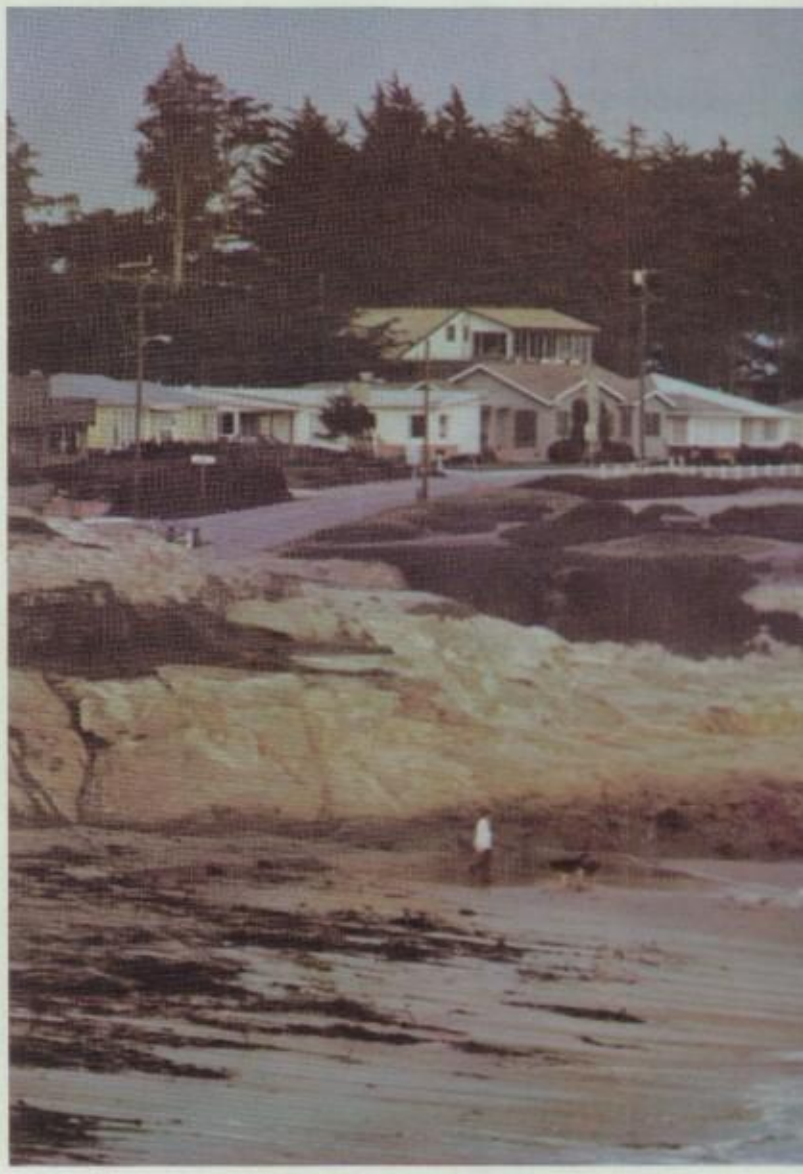
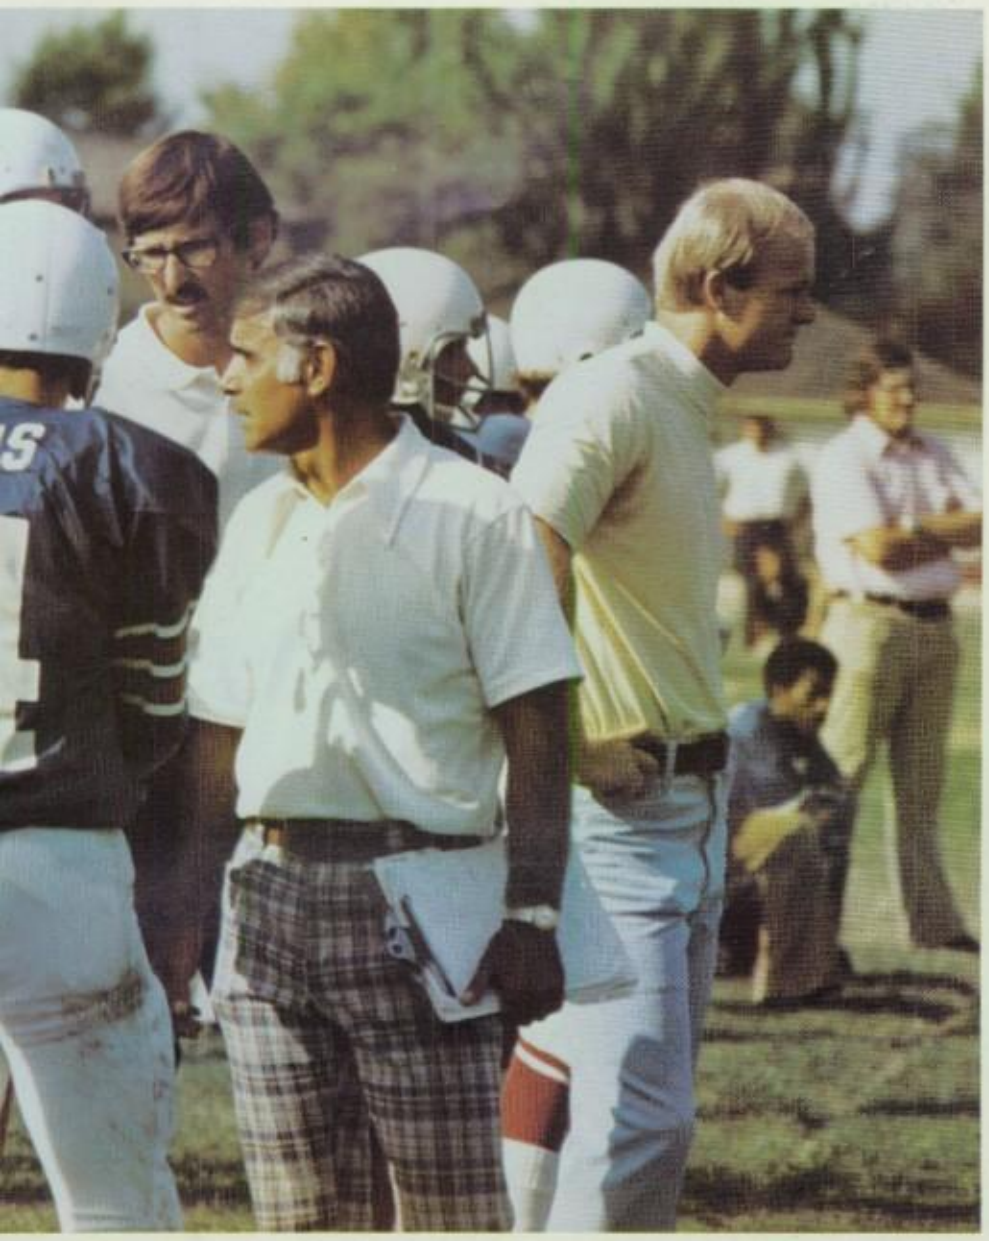
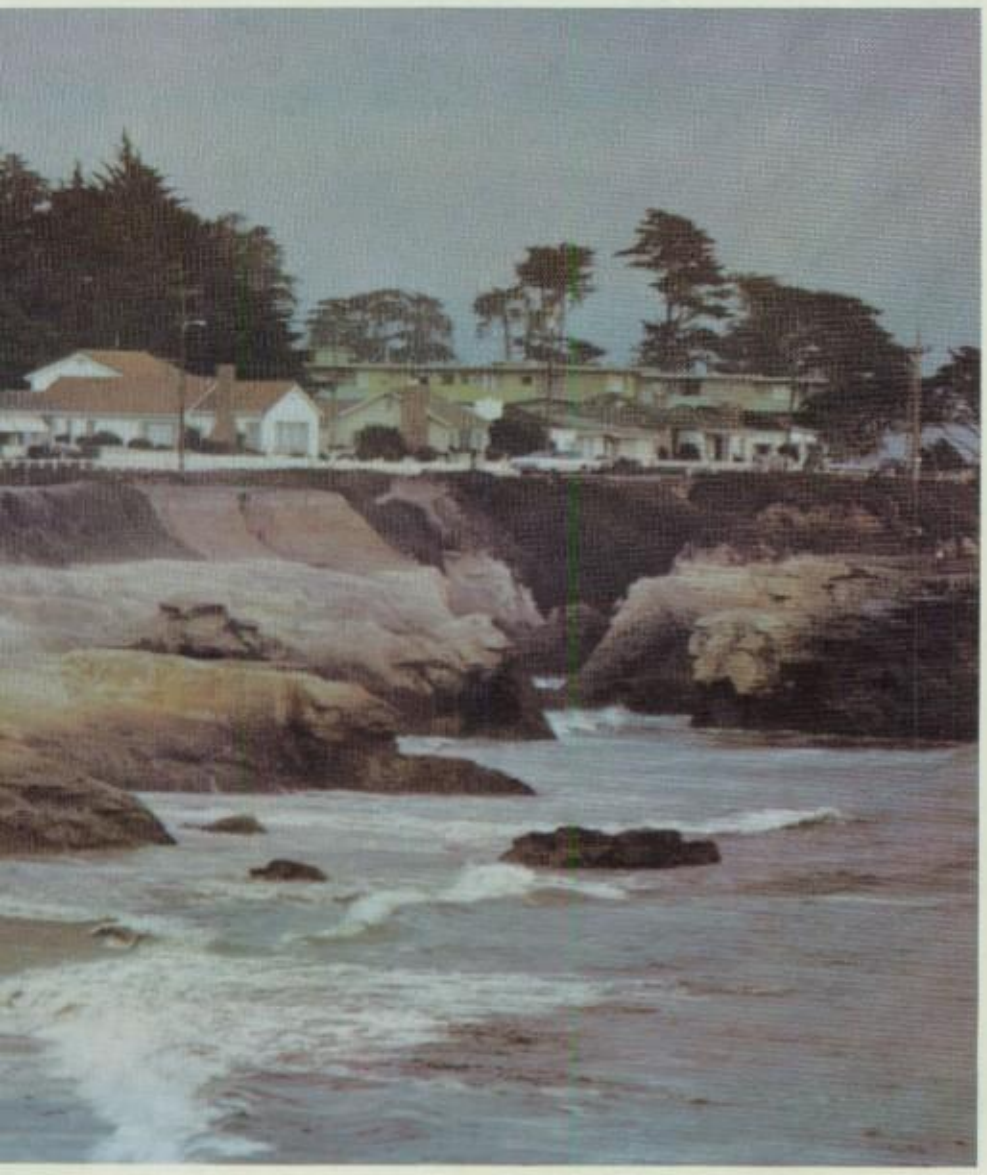
. . . and yet I do not doubt the most important things are always the best remembered.

Henry Van Dyke







Nothing so much convinces me of the boundlessness of the human mind as its operations in dreaming.

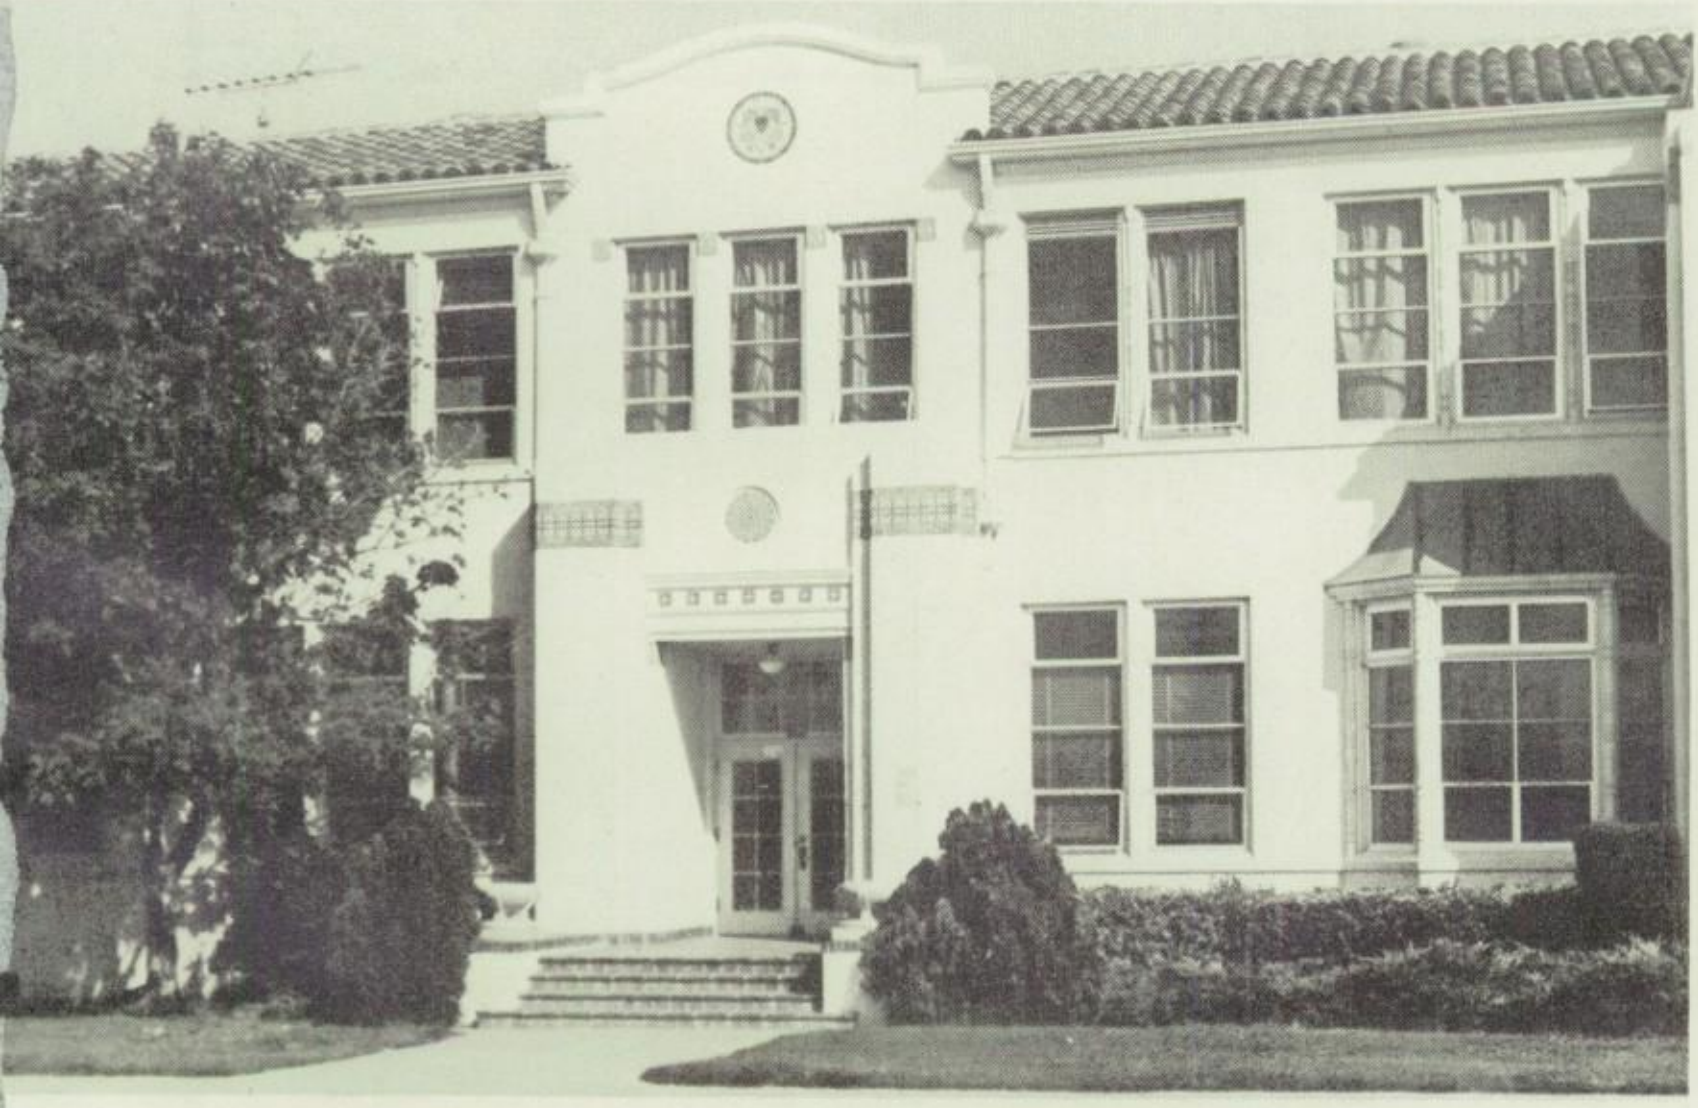
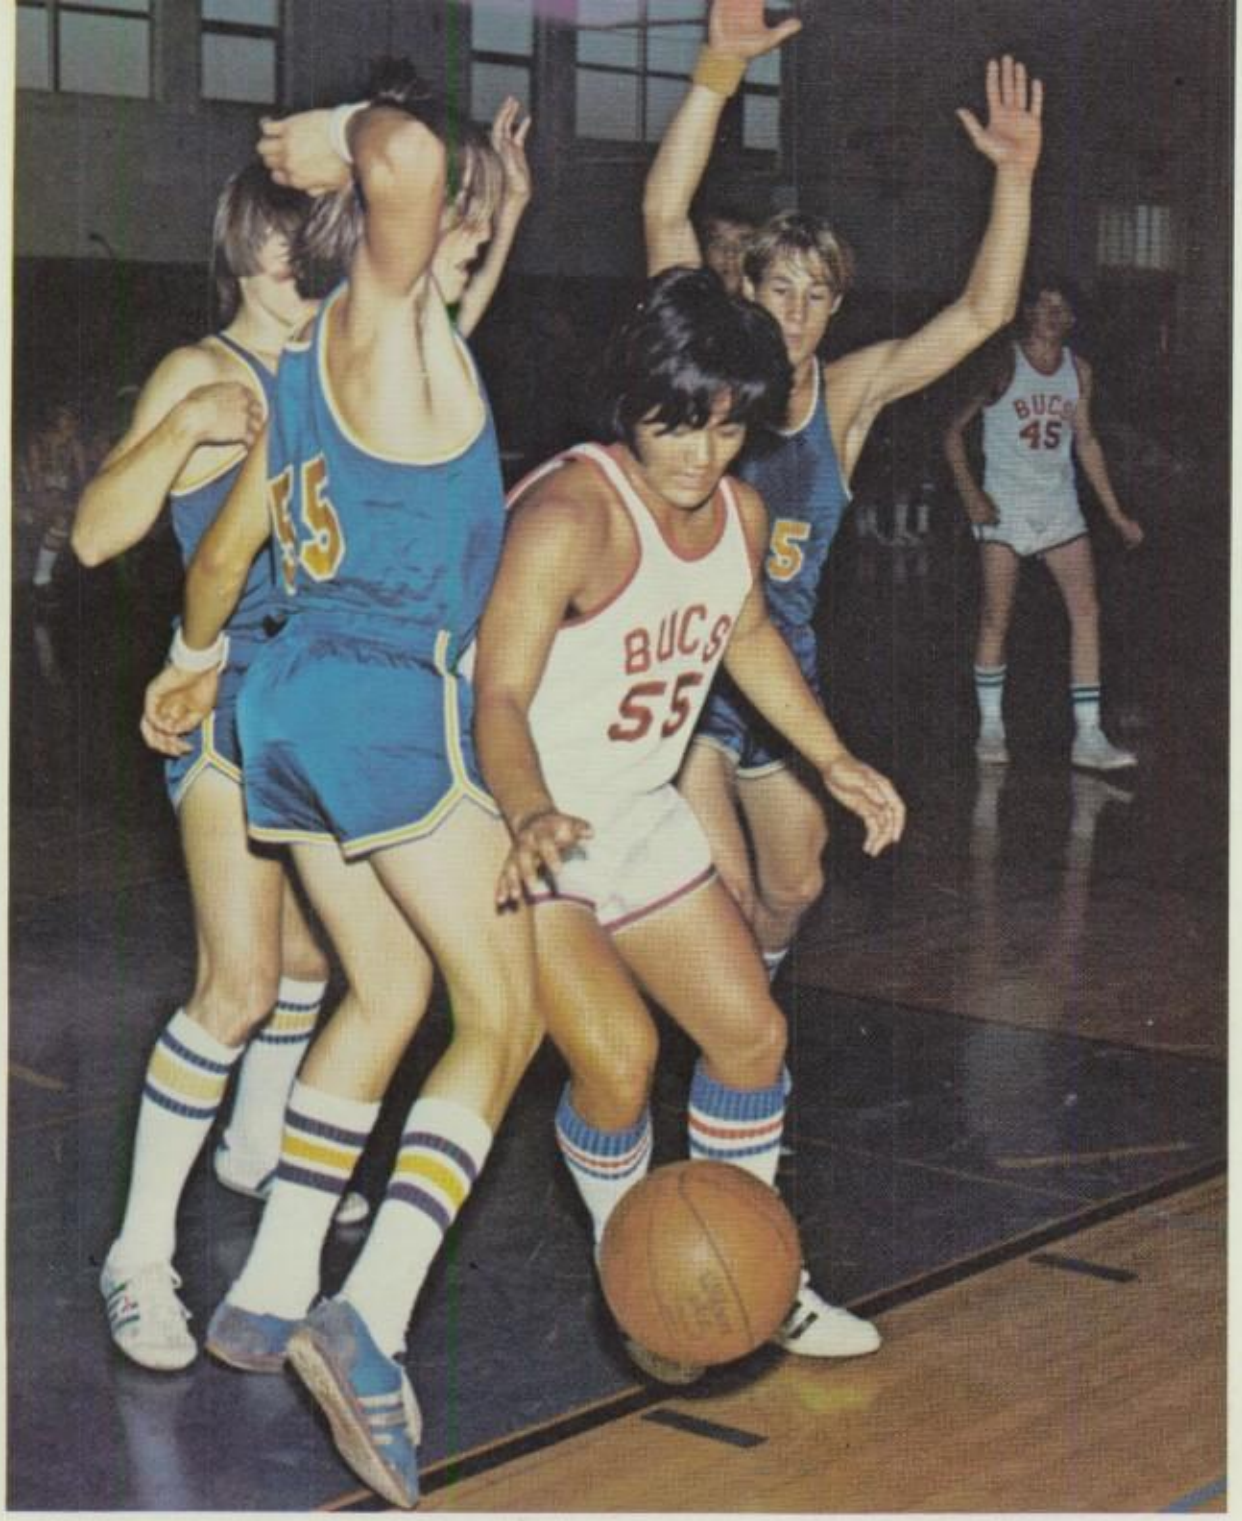
"Here we are,
all of us: in a
dream caravan.
A caravan, but
a dream - a dream
but a caravan
and when we know
which are the
dreams - therein lies
the hope."

El Shah



hold fast to dreams
for if dreams die
life is a broken-winged bird
that can not fly.
hold fast to dreams
for when dreams go
life is a barren field
frozen with snow.

Langston Hughes



D.C.
all Fred told me last year was that this girl named D.C. was really funny & he was right you have a bright personality so don't change

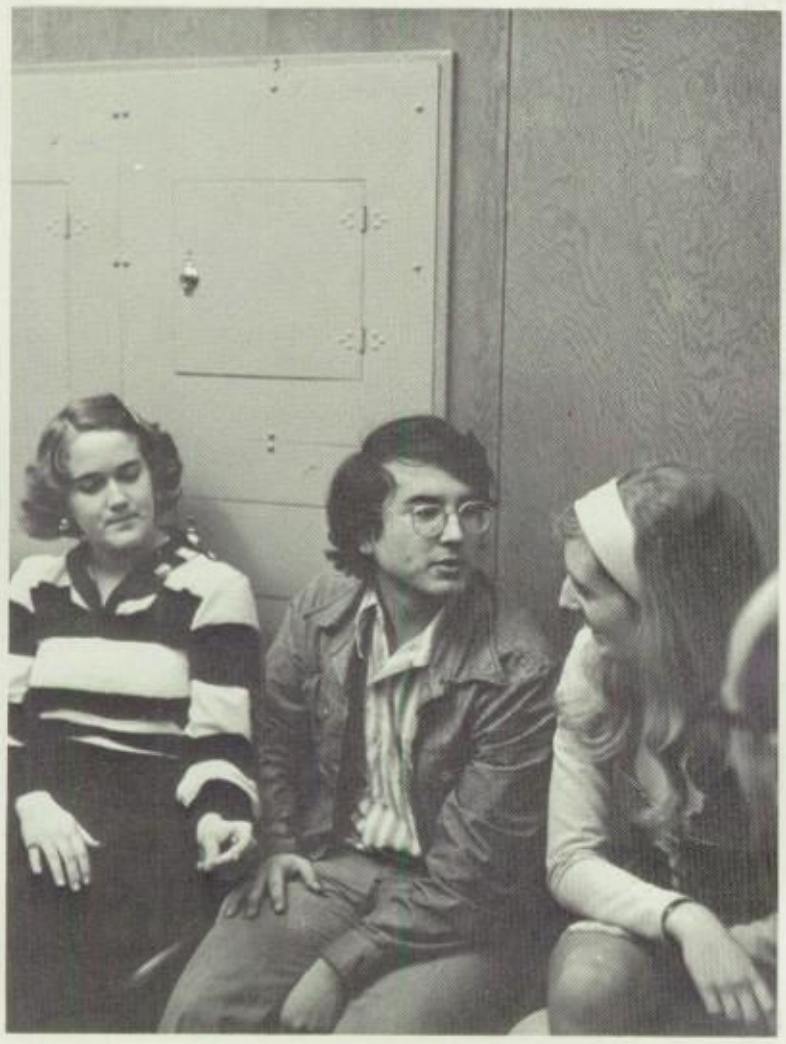
STUDENT COUNCIL

Fall Student Council: President Maureen Knight, Vice President Bonnie Buell, Secretary Jean Heimgartner, Council Members Rich Gucinski, Margaret Bidwell, Mark Epperson, Terry Watson, Student Manager Russ Lopez.
Spring Student Council: President Howard Tokunaga, Vice President Mark Epperson, Secretary Denise Davis, Council Members Bonnie Buell, Rich Gucinski, Margaret Bidwell, Terry Watson, Russ Lopez (Student Manager).



Student Council has attempted to focus attention on the economic problems that are threatening our school. We have tried to solve these problems in such a way that would not only increase revenue, but would create school spirit as well. Class competitions, special parent dances, the purchase of a popcorn machine were some of the ideas.

Student Council has also strived to promote students themselves, their right, their privileges and thier awareness of the decisions that are being made about them. The organization of the PTSA (Parents-Teachers-Students Organization) is one attempt to destroy the apathetic attitude of many students.

The Betty Crocker Search for Leadership in Family Living has found Barbara Wade!

Barbara scored highest on the written test that was given at Campbell High on Dec. 3 to over 40 seniors. She is now eligible to compete at the State level for a $1,500 Scholarship which is given to the first place winner, or a $500 grant for second place.

The annual competition is held by General Mills to find students who score high on the written knowledge and attitude examination and give them the opportunity to compete at the State and National levels.

Barbara would like to go to Berkeley to become a fashion

It was really neat to be here for a year. I have to admit it is nice to go home again but with a whole bunch of experiences. And I think it helped my speaking of English, at least I can swear now. There are so many more things to tell about this year, but I would need the whole yearbook. Before I came, I had a totally different idea of how everything would be in California. Of course, there are differences between your state and Holland, but basically they're the same. I have to agree that there is a lot of good garbage food here. I'm afraid that I will need two chairs in the plane on my way back home. The weather is a big difference too. There is a lot of rain, a great part of the year in Holland. I'm gonna miss the weather here and also the mountains, because Holland is as flat as a nickel. I want to make one thing clear, forget about those wooden shoes. We don't wear those things anymore! Anyway, it was a fun year. And whenever you get a chance to come over to Europe, do it.

Thanks a lot, all you people who helped to make this year so great for me.

Tot Weerziens!

Henny Schueler.

I don't know how to begin to tell you what my job as Spirit Commissioner has meant to me. It has to be the hardest thing in the world to organize and please sixty-two girls in the Spirit Commission and then in turn go out and please the Student Body.

Frustration, exhaustion, fury, excitement, and happiness were all feelings that everyone in Commission felt; especially myself and Mrs. Benson.

I would like to thank the faculty for their support this year which has probably been greater than any other. I would like to thank Pep Club for all the support they have given us. They had to be the most willing bunch of people I've ever seen. Also Miss Cunningham, who helped pull the strings and gave us so many ideas to help get Spirit on the road to success. Another group of people I would like to thank is Rally Board, they gave their greatest efforts. There is no way I could express enough thanks to my advisor Mrs. Benson.

I know that the girls in Spirit, and you, agree this year Campbell was number one in Spirit. I will never forget the important part Spirit has played in my life.

1975 has been a year that will always be special to me. Yearbook is one of the reasons. Working on the yearbook was a very good and unique experience, one that I will never forget.

I would like to give special thanks to the Oriole Staff and the advisors, Mrs. Terry and Mrs. Williams. They were all great to work with. Everyone on the staff was very hard-working, and they had a fantastic sense of humor, which is important. Also, the photographs in this book are of the highest quality. This is due to our capable Photo Commission, led by Mr. Hailer, and our professional photographer, Mr. Cirimele. I thank everyone involved for their patience and hard work.

It was our goal to make this book enjoyable and memorable for all who read it. I hope that we have achieved this goal, and that your memories of Campbell High School are as great as mine.
